

900673

Varipiper – CNC pipe cutting machine (2000)

- CNC control with macros
- Self centring 3-jaw chuck (manipulator)
- max. 30.000N
- Working length torch runway: 12.000 mm
- Working pipe diameter: trough chuck: 610 mm / in front of chuck: 1.220 mm (max.)
- Oxy fuel cutting process with Acetylene torch
- Torch lifter, autom. height control
- Pantograph 0-140° longitudinal positioning
- Pipe support
